Payment Terms
Rev 01/2026

The payment terms we extend to hospital facilities is NET 30 days. Why we are firm on these terms?

- As a 56 year old company, we are owned by the same individual that began the company in 1969.
- Our business model is one which pays its suppliers according to the terms they dictate. It's the right thing to do.
- We pay our employees a more than fair wage for their outstanding job at meeting your every need.
- We inventory your needs so we can deliver advice and product when you need it.
- If it's a custom product you need, frequently it is available the next day.

Given these up-front investments in preparing to meet your specific needs along with our long history with thousands who agree to and pay within our terms, our company strictly adheres to this payment policy.

In the event that a facility is not able to pay within 30 days, they may request a ProForma Invoice , submitting payment by check or electronically through ACH Network. With the payment received in advance, the order can be processed and shipped.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
